**SUBJECT: STONYVALE COMMUNITY STANDARDS DISTRICT (CSD)
(November 30, 2010, Item 74-D)**

On November 30, 2010 your Board approved a motion by Supervisor Antonovich directing the Department of Regional Planning (DRP) to prepare a draft CSD for the community of Stonyvale to address front yard setbacks; fence and wall heights; and equestrian-keeping.

The motion also directed DRP to work with Stonyvale community residents and surrounding community stakeholders; to coordinate with the County Departments of Public Health, Public Works, and Fire; and to report to your Board every 30 days on progress made. This is the seventh monthly report.

Since the last report on May 31, 2011, the tasks DRP has undertaken are summarized below:

1. Conducted a public hearing before the Regional Planning Commission (RPC) on June 15, 2011 about the proposed Stonyvale CSD. The RPC unanimously approved a resolution to establish the CSD and to forward the proposed CSD ordinance to your Board for consideration in a public hearing.
2. Prepared a draft transmittal of materials necessary for your Board to schedule a public hearing to consider the Stonyvale CSD. The transmittal of materials will be finalized and distributed during the first week of July.
